

#strongertogether to be #strongerthenever: SIXT keeps your customers mobile

SIXT at a glance

With over 100 years of experience, SIXT has earned a trusted reputation as a car rental company. At SIXT, customers benefit from premium vehicles and high-quality customer service. Conveniently located at airports, train stations, and downtown, SIXT will have the perfect vehicle for every customer in more than 100 countries worldwide.

Today, SIXT is more than a simple car rental company: SIXT is a real global mobility provider that can support you with all your requests and fulfil the needs of all your travelers:

Short-time rentals, long-term rentals, transfer services, car sharing: everything is possible with SIXT!

SIXT facts & figures

100 years of experience, more than 100 countries, around 2500 branches in the world.

SIXT ride

With the taxi service SIXT ride, you travel from A to B quickly and comfortably. Whether it is to the airport, train station or hotel, whilst on a business trip, or in order to go to a client meeting – SIXT ride is as flexible as a taxi and offers different booking classes at fixed prizes.

SIXT safety measures

With SIXT, you will always have a reliable partner by your side. Even now, most SIXT branches remain open while undertaking additional safety and hygiene measures to ensure the best possible rental experience even when travel restrictions are in effect. Every vehicle goes through the SIXT Premium Cleaning Process. In addition, SIXT provides maximum flexibility to customers by offering free rebooking and cancellation.

SIXT App

Our new app is the only app on the market where you can find the answer to all your mobility needs: rent a car, book a ride, or find a car sharing solution!

Your traveler will be able to book everything with SIXT.
