Glattbrugg, September 2018

The **Swiss Business Travel Awards 2018** ceremony took place this month at Zurich Marriott hotel. The event is hosted by the magazine «Business Traveltip» and is held together with 'Swiss Business Travel Forum' – known as the main annual get-together of all actors in the Corporate Travel Arena.

bta first travel has been awarded as '**Best Travel Management Company**', whereas Travel Managers of renowned international Corporations were previously questioned.

We are proud having received this recognition. It is seen as an additional motivation to provide a perfect customer experience.
